

Thermal Solutions Manufacturing Announces the Opening of its Pembroke Park, FL Location

Nashville TN --- [Thermal Solutions Manufacturing](#) announces the opening of its newest branch location in Pembroke Park, FL (Fort Lauderdale/Miami areas). This new location will open for pickup and delivery service February 13, 2017, and complements our existing Orlando distribution operation.

Roland Ewert, Vice President of Sales and Marketing, is once again excited to announce the expansion of Thermal Solution's distribution footprint into the south Florida market. This area previously serviced next day from our Orlando, FL branch, will now receive "same day" delivery and one-hour pickup service in the greater Fort Lauderdale and Miami markets. This location will benefit from a "market specific" inventory plan and frequent replenishment of stock from TSM's Dallas, TX distribution center.

This plan includes replacement Cores, Heavy-Duty Truck Tough* complete Truck Radiators (all constructions), Charge Air Coolers, Truck Condensers, as well as Automotive and Light Truck Radiators and Heater Cores.
