

Nominations Open for Cooling System Hall of Fame

WEXFORD, PA – NARSA is looking for candidates to consider for inclusion in its Cooling System Hall of Fame. This is highest honor the organization can bestow. Members of the Hall of Fame include men and women who have excelled at innovation, business and leadership. If you had submitted a nominee in the past, you are encouraged to enter a new application.

The NARSA Cooling System Hall of Fame Award was established as the organization's highest recognition of exceptional service to the association, to industry and to society by members. The award is made to an individual. Nomination is made using an official form and preliminary selection is made by the Awards Committee. Final determination is made by a vote of the Board of Directors.

Consideration for nomination is made to individuals who have been actively retired from the industry or deceased. Nominations will be reviewed at the October 2019 NARSA Board of Directors meeting. Completed nomination forms require the following:

- full name and contact information;
- biography including birth date, place of birth, citizenship, primary places of residency;
- family members;
- history of career accomplishments;
- community service accomplishments;
- leadership accomplishments;
- record of military and/or humanitarian service;
- awards, recognition, honors by industry, social and community groups;
- education and degrees;
- narrative explaining why the candidate deserves induction; and
- at least three professional references.
